

ÉVIAN RESORT
GOLF CLUB
SINCE 1904

A LEGENDARY DESTINATION

Founded in 1904, nestled on the shores of Lake Geneva and at the foot of the Alps with an exceptional panoramic view, Evian Resort Golf Club is one of the most stunning golf destinations in the world. Its Major Championship course and its one-of-a-kind Academy in France have captivated the greatest names in golf and established themselves as true international benchmarks.

HISTORY

CREATION OF THE COURSE

In 1904, the Société Anonyme des Eaux Minérales d'Évian purchased the farm and lands owned by the Berthet family to build a 9-hole golf course, coinciding with the opening of the Hôtel Royal. Overlooking Lake Geneva, one of France's first golf courses immediately captivated visitors with its breathtaking views and lush vegetation. The course was expanded to 18 holes in 1922.

... AND RECENT DEVELOPMENTS

Renovated in the early 1990s by architect Cabell B. Robinson (former assistant to Robert Trent Jones), the course was completely redesigned in 2013 and officially renamed "The Champions Course" in 2020. This dynamic and highly spectacular course, featuring technical greens and strategic hazards, provides a stage worthy of The Amundi Evian Championship—one of the five Major tournaments in women's golf worldwide—while offering amateurs a course where they can fully express their game.

Between 2022 and 2024, The Champions Course underwent significant upgrades, including the expansion of its lakes and water hazards. These enhancements add new technical challenges for players, elevate the landscape in harmony with Lake Geneva, and strengthen water reserves, ensuring the sustainable management of this exceptional course.

LE CHALET DU GOLF CLUB HOUSE

Located just steps from the greens and offering a spectacular view of the surrounding mountains, the restaurant Le Chalet du Golf is a must-visit for golfers and food enthusiasts alike. In a setting that blends elegance with warmth, this establishment offers a refined menu featuring a mix of light dishes and indulgent creations, all made from local, seasonal products.

Whether it's a quick lunch after a round with friends, a cozy Sunday morning brunch, or a relaxing break while enjoying the panoramic view, Le Chalet charms with its welcoming atmosphere and attentive service, enhancing the golfing experience.

THE AMUNDI EVIAN CHAMPIONSHIP

Each year in July, Evian Resort Golf Club hosts the Major The Amundi Evian Championship, a legendary tournament that has crowned the world's greatest female golfers. Launched in 1994 by Antoine and Franck Riboud, the tournament became part of the very exclusive group of the five Major tournaments in women's golf in 2013.

This Major, considered unique by the champions themselves, shines for the quality of its course. An incredible driving force for the global prominence of women's golf, The Amundi Evian Championship has crafted its own history to become an iconic event with a legendary list of winners. Its exceptional status and strong ambition are reflected in its ongoing commitment to discover and support young talents.

EVIAN RESORT GOLF CLUB ACADEMY

A PLACE OF EXCELLENCE DEDICATED TO GOLF

The Evian Resort Golf Club boasts its own training center, the Academy, which has partnered with the global reference in golf instruction, the renowned coach David Leadbetter. This collaboration ensures top-tier coaching. Each player benefits from a personalized teaching program, thanks to six training modules that cover all aspects of the game, as well as a variety of instructional tools incorporating the latest technologies (TrackMan, TrackMan Range, Top Tracer Range, Big Tilt Pro XL Putting Mats...). The Academy offers individual lessons and group clinics year-round, supervised by a team of four professionals.

THE LAKE COURSE

Since 2020, the Evian Resort Golf Club has offered a second course located at the Academy. Comprising six PAR 3 holes, this course serves as a perfect alternative to the 18-hole "The Champions Course." Nestled in an exceptional setting with stunning views of Lake Geneva, it allows golfers—beginners and advanced alike—to enjoy their passion in about an hour. Designed by architect Dave Sampson and named "The Lake Course," this technical layout features tees for all levels and greens of remarkable quality.

GOLF CLUB

LE MANOIR

A unique stay at the heart of the Academy: Golfers have the opportunity to stay at Manoir du Golf, an elegant and charming property, ideal for an unforgettable experience. With its 8 rooms and suites, it can accommodate up to 20 people and is perfect for private bookings, whether for stays with friends, family, or golf-loving groups. Its warm atmosphere, inspired by traditional English clubhouses, creates an authentic and welcoming environment, offering a perfect setting for relaxation and enjoying golf in an exclusive setting.

SUPPORTING GOLF DEVELOPMENT

SUPPORT FOR PROFESSIONAL PLAYERS

For many years, Evian Resort Golf Club has been passionately dedicated to supporting golfers in their early steps as professionals, contributing to their development and success. This commitment is fully reflected in its partnership with Sébastien Gros, a talented player and club ambassador since 2017. Together, they share a vision of the sport based on excellence and performance, reinforcing the club's role as a key player in professional golf.

Players supported in 2025: Amat Bastien, Couvra Martin, Giboudot Maxence, Gros Sébastien, Guillamoundeguy Oihan, Hrinda Jakub, Laussot Aymeric, Nadaud Nastasia, Nlareb Issa, Roussin Bouchard Pauline, Trey Nathan, Vaillant Tom.

THE PERFORMANCE PROGRAM

In 2024, Evian Resort Golf Club launched its Performance Program for young, ambitious talents. This program offers tailored support combining technical expertise, mental preparation, and top-tier facilities. This initiative opens new opportunities for amateur golfers and solidifies the club's role as a springboard to the elite level of golf.
